THE proprietor of a cotton-mill put this notice upon his factory gate: "No cigars or good-looking men admitted." In explanation he said: "The one will set a flame going among my cottons, and 'tother among the gals. I won't admit such dangerous things into my establishment. The risk is too great."

R. V. PIERCE, M. D.: Dear Sir:—My wife, who had been ill for over two years, and had tried many other medicines, became sound and well by using your "Favorite Prescription." My niece was also cured by its use, after several physicians had failed to do her any good. Yours truly,

Rescued from Death.  
William J. Coughlan, of Somerville, Mass., says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half dollar. I gave up hope, but a friend told me of Dr. Wm. Hall's Balsam for the Lungs. I got a bottle, when to my surprise I commenced to feel better, and today I feel in better spirits than I have the past three years. I write this hoping that every one afflicted with diseased lungs will take Dr. Wm. Hall's Balsam for the Lungs, and be convinced that CONSUMPTION CAN BE CURED." ## HOUSEHOLD ACCIDENTS.

The following suggestions are not designed to induce the public to attempt the duties of the regular surgeon, but, merely to place the readers of these pages in possession of a means of treatment of the minor accidents occurring daily in the household, and which, while not dangerous in themselves, are exceedingly annoying. Burns, bruises, scalds, sprains, etc., are principal among these troublesome and annoying occurrences, and demand immediate treatment with the best means at hand. In the kitchen, the dining-hall, the nursery and the sitting-room they are liable to happen, and, instead of fear and alarm at the sight of the cut or mashed finger, or bruised or burned arm, or scalded surface, a cool and quiet manner should be assumed, and after washing away the blood, (if required), the injured parts should be dressed with that most valuable remedy—St. JACOBS OIL. Its surprisingly quick relief, its cleansing properties, its tendency to quickly remove all inflammation, and its wonderful efficiency in the above as well as in all muscular and other pains, such as rheumatism, neuralgia, toothache, headache, stiffness of the joints, etc.,—these render St. JACOBS OIL, pre-eminently the best external remedy now before the people; which claim is fully substantiated by the strongest kind of testimony from all classes of people. The value of human life is so supremely important that anything that tends to its prolongation is entitled to the highest consideration. Charles Nelson, Esq., proprietor Nelson House, Port Huron, Mich., says: "I suffered so with rheumatism that my arm withered, and physicians could not help me. I was in despair of my life, when some one advised me to try St. JACOBS OIL. I did so, and, as if by magic, I was instantly relieved, and by the continued use of the Oil entirely cured. I thank heaven for having used this wonderful remedy, for it saved my life. It also cured my wife."
